Turn any PC into a complete retail management system by combining QuickBooks Point of Sale software with our guaranteed-compatible hardware. Guaranteed hardware items include: bar code scanner, receipt printer, credit card reader, cash drawer, pin pad with integrated card swipe, tag printer, pole display, physical inventory scanner and pin pad with signature capture. Hardware is guaranteed compatible only when purchased from Intuit.

1. Intuit QuickBooks Point of Sale Merchant Service is required to accept credit and debit cards. Intuit QuickBooks Point of Sale Gift Card Service is required to accept gift cards. Both services are sold separately. Application approval, fees and additional terms and conditions apply. To accept debit cards an additional PIN pad is required; sold separately. Details available at www.payments.intuit.com/posms and www.payments.intuit.com/posgcs. Terms, conditions, pricing, features, service and support are subject to change without notice.

2. Works with any Intuit QuickBooks Pro or Premier (2008-2011) and Intuit QuickBooks Enterprise Solutions (versions 8.0-11.0). Sold separately.

3. Requires Microsoft Word 2000, 2002, 2003, 2007 or 2010.

4. No QuickBooks Fee for using shipping features, but UPS will charge their standard shipping fees for packages shipped from within QB POS. Registration and agreement required.

5. QuickBooks Accounting software and QuickBooks Payroll service subscription required. Sold separately.

6. Funds are generally deposited into your U.S. bank account within 2-3 business days depending on your financial institution and your Demand Deposit Account. Clearance time for funds may vary depending on your Demand Deposit Account.
